Congratulations

Dear Students and Staff,

It feels immense pleasure to inform you that, our college had signed the MoU (Memorandum of understanding) with C- DET.com. on 05/01/2016. C-DET is into training the Budding Entrepreneurs in India and abroad. In collaboration with C-DET, ISB&M School of Technology intend to start the Entrepreneurship Development Cell in the college which will facilitate all the students and staff to have the information related to the starting up of an enterprise . We are on the road map to start with incubation centre in a very near future. We praise our management in their endurance for providing us with such an opportunity in the college.

The MoU is signed in between Principal of the college Dr. P.K. Srivastava and the Managing Director of C-DET in the presence of all the respective Head of Departments.
