

Memorandum of understanding between the Tvamevaham Consulting Pvt. Ltd. And the ISB&M School Of Technology, Nande, Pune

Preamble

The **Tvamevaham Consulting Pvt. Ltd.** and the **ISB&M School Of Technology, Nande, Pune** hereinafter called the 'Partners', found it mutually beneficial to have a formal understanding between the two Partners in taking up collaborative research programs created by ISB&M SOT over the years through its **Principal Dr. P. K. Srivastava, Prof. Asrani S.H And Prof. Atul Mokal**. This program is being implemented to achieve sustained economic development of our country.

Tvamevaham Consulting Pvt Ltd is the world's first integrated services company which can synthesize the best of many worlds to solve complex customer problems and unique needs.

Our expertise is highly polyvalent and multidimensional in the fields of Technology, Psychology and Business Administration.

We are agile enough to flex ourselves and go many extra miles to solve complex customer problems in the ever changing dynamics in the fields of technology, psychology and competency to provide a unique and awesome experience to customers.

Tvamevaham is world leading developers of **CAD software**, and **CAD related products and support services**, focusing on providing leading edge solutions to a broad base of design related clientele.

The academic staff of ISB&MSOT being capable of using research tools, it is proposed to take up research projects in collaboration with Tvamevaham Consulting Pvt Ltd. Both the partners have thus arrived at an understanding as indicated below:

1. Research Projects

Objectives/Details of proposed research projects.

2. Details of Understanding:

The Partners, after due consideration of various aspects have arrived at the following understanding in respect of the research projects.

ISB&M SOT in collaboration with **Tvamevaham Consulting Pvt. Ltd** will establish and maintain the Centre Of Excellence with adequate precautions. **Tvamevaham Consulting Pvt. Ltd** will guide our faculty and students to boost their innovative ideas.

The ISB&M SOT will provide necessary space and resources to establish centre of excellence (Research Lab) for the successful completion of the research projects.

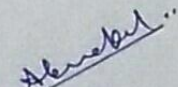

The Partners will evolve a mechanism for exchange of experiences and expertise for mutual benefit of both the organizations.

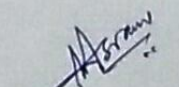

3. Date of Effect

This Memorandum of Understanding will come into effect on the date of signature and will remain in force until either side delivers written notification to the other of its intention to terminate the Memorandum, in which case it will terminate three months after the receipt of such a notification.

4. SIGNATURES

Signed, on the 25/06/2016 Saturday in two originals, all text being equally authentic.
